| Select from the following:                        |   |              |
| GNRS 597  | Comprehensive Examination Directed Study  | 1            |
| - or -  |   |              |
| GNRS 598  | Thesis  | 1            |
| - and -   |   |              |
| GNRS 514  | Research Proposal Writing (required for thesis)   | 2            |
| <b>Total Units for MSN with SNSC <sup>3</sup></b> |   | <b>37-39</b> |

<sup>1</sup> Units in parentheses are classroom/clinical units.

<sup>2</sup> Students contemplating a nurse practitioner certificate may substitute GNRS 590A in place of GNRS 590C if they have completed GNRS 513 and GNRS 611 in addition to GNRS 610 and GNRS 511 or GNRS 612.

<sup>3</sup> Student must also take a California-approved audiometry course to meet the SNSC requirements.

## Program Learning Outcomes

## Program Learning Outcomes

Students who successfully complete this program shall be able to:

1. Articulate a Christian worldview, demonstrating respect for the dignity and uniqueness of others, valuing diversity, and applying spiritual concepts.
2. Engage in scholarly inquiry and critical thinking, including evaluation and application of evidence-based research.
3. Appraise and apply knowledge to develop, implement, and evaluate interventions that promote health and prevent disease.
4. Demonstrate thoughtful analysis of the legal, political, ethical, and/or financial factors impacting health care.
5. Use information systems and technology to communicate, manage knowledge, promote quality, mitigate error, and support decision-making.
6. Demonstrate the ability to coordinate and collaborate with other health care team professionals.
7. Engage in clinical reasoning, effective communication, and act as change agents to develop professional identity and practice skill.
