

MSN and Family Nurse Practitioner (FNP) and School Nurse Services Credential (SNSC)

This combined specialty program (<https://www.apu.edu/nursing/programs/msn-snsc-fnp/>) prepares nurses to be effective practitioners of school health and provide primary care for people of all ages in a variety of settings. Through the program, students develop theoretical and practical expertise in nursing and education applied to basic health services in the public schools (K-12). This enables them to establish, maintain, and coordinate a comprehensive school health program. The advanced practice family nurse practitioner specialty includes direct client assessment, diagnosis, management and treatment, client advocacy, and client/family education. Graduates are eligible to apply to the state of California for the School Nurse Services Credential; they are also eligible to apply to the California Board of Registered Nursing for certification as a nurse practitioner, and may apply for national FNP certification through examination.

Students must also take a California-approved audiometry course to meet SNSC requirements.

Requirements

Code	Title	Units
Academic Core Courses		12
GNRS 504	Bioethics and Healthcare Policy	3
GNRS 506	Spiritual Concept Analysis in Health Care	3
GNRS 508A	Research and Theory in Advanced Practice Nursing	4
GNRS 513	Advanced Nursing Practice Role	2
Advanced Practice Core Courses		10
GNRS 610	Advanced Pathophysiology	3
GNRS 611	Advanced Pharmacology	3
GNRS 612	Advanced Health Assessment and Diagnostic Reasoning ¹	4 (3/1)
FNP Specialty Courses		24
		(12/12)
GNRS 600	Nurse Practitioner Clinical Experience ²	12
GNRS 601	Primary Healthcare I: Adult and Aging	3
GNRS 602	Primary Healthcare II: Population-based Health Interventions	3
GNRS 603	Primary Healthcare III: Restorative and Palliative Interventions	3
GNRS 590D	Primary Health Care of the Young Family	3
SNSC Specialization Courses		9
EDUC 537	Curriculum Development, Revision, and Evaluation Process	3
GNRS 550A	Theory and Practice in School Nursing	6 (3/3)
Concluding Course		1
GNRS 597	Comprehensive Examination Directed Study	1
Total Units for the MSN: FNP and SNSC ³		56

¹ Numbers in parentheses are classroom/clinical units.

² Students may enroll in 2-6 clinical units per semester with faculty approval.

³ Students must also take a California-approved audiometry course to meet SNSC requirements.

Admission

University graduate admission and program-specific requirements must be met before an application is complete (see Admissions Information (<http://catalog.apu.edu/admissions/>)). **Program-specific application requirements are available online (<https://www.apu.edu/graduateprofessional/apply/>).**

International students should contact Graduate and Professional Admissions (<https://www.apu.edu/graduateprofessional/apply/>) for application procedures.

Program Learning Outcomes

Program Learning Outcomes

Students who successfully complete this program shall be able to:

1. Articulate a Christian worldview, demonstrating respect for the dignity and uniqueness of others, valuing diversity, and applying spiritual concepts.
2. Engage in scholarly inquiry and critical thinking, including evaluation and application of evidence-based research.
3. Appraise and apply knowledge to develop, implement, and evaluate interventions that promote health and prevent disease.
4. Demonstrate thoughtful analysis of the legal, political, ethical, and/or financial factors impacting healthcare.
5. Use information systems and technology to communicate, manage knowledge, promote quality, mitigate error and support decision-making.
6. Demonstrate the ability to coordinate and collaborate with other health care team professionals.
7. Engage in clinical reasoning, effective communication, and act as change agents to develop professional identity and practice skill.
