

MSN and Pediatric Nurse Practitioner–Primary Care (PNP-PC) and School Nurse Services Credential (SNSC)

This combined specialty program (<https://www.apu.edu/nursing/programs/msn-sns-cnnp/>) prepares nurses to be effective practitioners of school health and provide primary care for children in a variety of other settings. Through the program, students develop theoretical and practical expertise in nursing and education applied to basic health services in the public schools (K-12). This enables them to establish, maintain, and coordinate a comprehensive school health program. The advanced practice pediatric nurse practitioner-primary care specialty includes direct client assessment, diagnosis, management and treatment, client advocacy, and client/family education. Graduates are eligible to apply to California for the School Nurse Services Credential. They are also eligible to apply to the California Board of Registered Nursing (<https://www.rn.ca.gov>) for certification as a nurse practitioner, and may apply for national PNP certification through examination.

Students must also take a California-approved audiometry course to meet SNSC requirements.

Requirements

Code	Title	Units
Academic Core Courses		10
GNRS 504	Bioethics and Healthcare Policy	3
GNRS 506	Spiritual Concept Analysis in Health Care	3
GNRS 508A	Research and Theory in Advanced Practice Nursing	4
Advanced Practice Core Courses		14
GNRS 510	Family Theory in Health Care	2
GNRS 511	Advanced Pediatric Health Assessment and Health Promotion ¹	4 (3/1)
or GNRS 612	Advanced Health Assessment and Diagnostic Reasoning	
GNRS 513	Advanced Nursing Practice Role	2
GNRS 610	Advanced Pathophysiology	3
GNRS 611	Advanced Pharmacology	3
Advanced Practice Specialty Courses		28
EDUC 537	Curriculum Development, Revision, and Evaluation Process	3
GNRS 532	Advanced Nursing Practice in Pediatrics	6 (3/3)
