Post-Master's Certificate in Nursing Education

The Nursing Education Certificate program (https://www.apu.edu/nursing/programs/nursing-education-certificate/) prepares nurses for teaching roles in various clinical and/or academic settings. This program builds on skills and knowledge obtained in a Master of Science in Nursing (MSN) program. **Note:**Students must be admitted to the university before registering for this program (see Admission section below).

Requirements

Admission

University graduate admission and program-specific requirements must be met before an application is complete (see Admissions Information (http://catalog.apu.edu/admissions/)). Program-specific application requirements are available online (https://www.apu.edu/graduateprofessional/apply/).

International students should contact Graduate and Professional Admissions (https://www.apu.edu/graduateprofessional/apply/) for application procedures.

Program Learning Outcomes Program Learning Outcomes

Students who successfully complete this program shall be able to:

- 1. Articulate a Christian worldview, demonstrating respect for the dignity and uniqueness of others, valuing diversity, and applying spiritual concepts.
- 2. Engage in scholarly inquiry and critical thinking, including evaluation and application of evidence-based research.
- 3. Appraise and apply knowledge to develop, implement, and evaluate interventions that promote health and prevent disease.
- 4. Demonstrate thoughtful analysis of the legal, political, ethical, and/or financial factors impacting health care.
- 5. Use information systems and technology to communicate, manage knowledge, promote quality, mitigate error, and support decision-making.
- 6. Demonstrate the ability to coordinate and collaborate with other healthcare team professionals.
- 7. Engage in clinical reasoning, effective communication, and act as change agents to develop professional identity and practice skill.
