

Proficiency Exams and Placement Assessments

The Academic Success Center (ASC) (<https://www.apu.edu/academic-success/>) coordinates required placement assessment in the areas of math, writing, and foreign language for incoming students (freshmen and transfers). Testing is available in the ASC by appointment only, and remotely for out-of-area students.

For more information, visit the catalog's Placement Assessment (<http://catalog.apu.edu/student-resources/undergraduate/academic-resources/testing-proctoring-services/placement-assessment/>) section.
