

Concurrent Enrollment Policy

Students wishing to take courses at another institution while enrolled at APU should obtain prior approval from the Student Services Center (<https://www.apu.edu/student-services/>) to ensure that the courses are transferable to APU, which has articulation agreements with many colleges in the area. Students can view lists of preapproved courses through Transferology (<https://www.transferology.com/school/apu/>); all other courses must be approved through a Transfer Credit and Course Substitution Form (<https://www.apu.edu/student-services/registration/#ugforms>). Without prior approval from the Student Services Center, transfer credits may be denied.
