## **Concurrent Enrollment Policy**

Students wishing to take courses at another institution while enrolled at APU should obtain prior approval from the Student Services Center (https://www.apu.edu/student-services/) to ensure that the courses are transferable to APU, which has articulation agreements with many colleges in the area. Students can view lists of preapproved courses through Transferology (https://www.transferology.com/school/apu/); all other courses must be approved through a Transfer Credit and Course Substitution Form (https://www.apu.edu/student-services/registration/#ugforms). Without prior approval from the Student Services Center, transfer credits may be denied.
