

Center for Career and Community-Engaged Learning

Vision

Cultivate Christ-centered, transformative experiential learning opportunities that empower the community and enhance professional development for lifelong learning.

Mission

The Center for Career and Community-Engaged Learning (CCEL) (<https://www.apu.edu/ccel/>) integrates faith-based, academic experiential learning into the education journey of graduate and undergraduate students. Through our comprehensive student services, including career development, community advancement programs, academic service-learning, and study away, we strive to create a dynamic environment of collaboration. By fostering meaningful partnerships with faculty, staff, alumni, and community stakeholders, we seek to establish mutually beneficial relationships that align with the core values of APU. Our commitment to innovation and inclusivity ensures transformative experiential learning opportunities that empower students and enrich our community.
